Where will the money I raise go?

VO 064

All the money you raise will go directly towards supporting refugees and asylum seekers in Malta.

In 2025, JRS Malta helped over 500 individuals through legal, psychological, educational, social work and health care assistance.

We also continue creating spaces of encounter and dialogue to counter misinformation and build right relationships between refugees and the host community. Our awareness raising programme also takes us to schools, parishes and youth community centres, where we strive to enhance critical thinking skills among children, youth and educators.

JRS Malta relies upon the donations and fundraising efforts of our amazing community of supporters to continue accompanying refugees in an increasingly difficult and hostile environment.

JRS
JESUIT REFUGEE SERVICE

Where will the money I raise go?

More specifically, this fundraising effort will help us to continue standing with the vulnerable and excluded and supporting them to live life with dignity.

At JRS Malta we choose to be present with, and to work with those who are unable to access the support they need most, who struggle to meet their most basic needs and who find themselves stuck in the margins of society, working with others to support them to live with dignity.

Your €500 fundraising target could help us deliver:

- 10 therapy sessions to people who have experienced trauma
- 20 English language classes to young refugees
- Vital legal advice to help people resolve their asylum case and receive the protection they deserve
- Community-building activities to counter social isolation and loneliness
- 1 month's rent support for refugees and asylum seekers who are at risk of rooflessness
